

Aircraft Maintenance Apprenticeships - 2024 Mechanical and Avionics

Rex is Australia's largest independent regional and domestic airline operating a fleet of 58 Saab 340 and 8 Boeing 737-800NG aircraft to 57 destinations throughout all states in Australia. In addition to the airline Rex, the Rex Group comprises wholly owned subsidiaries Pel-Air Aviation (air freight, aeromedical and charter operator), the Australian Airline Pilot Academy with campuses in Wagga Wagga and Ballarat, and propeller maintenance organisation, Australian Aerospace Propeller Maintenance.

We are currently seeking expressions of interest for our 2024 Apprenticeship intake for Cert IV Mechanical (B1) and Avionics (B2) trades. Positions are available at our maintenance bases in New South Wales, Victoria and South Australia.

Position Responsibilities

- Carrying out scheduled and unscheduled maintenance activities on aircraft and aircraft components under the direction of a Licensed Aircraft Maintenance Engineer.
- Participate in aircraft recovery when necessary.
- Service and clean hangar, tools and ground equipment as directed by the engineering supervisors.

Essential Selection Criteria

- Minimum Education to Year 11
- Well-developed verbal and written communication skills
- Ability to follow instructions
- Willingness to accept the work environment of aircraft line maintenance and heavy maintenance, including component repair and refurbishment maintenance
- A high level of motivation with a team-focused work ethic
- Flexibility with working hours
- Working knowledge of OH&S procedures
- A valid driver's licence
- Meet the necessary requirements to hold an Aviation Security Identity Card
- Demonstrated interest in Aviation and Aircraft
- Willingness to relocate to pursue an Aviation Apprenticeship
- Demonstrated mechanical aptitude (exhibit/display a recent project or assignment that will support your mechanical aptitude at interview)

Preferred Selection Criteria:

- Cert IV theory credits in Aeroskills
- Passes in Mathematics, English and Physics is desirable

Conditions:

Wage rates and conditions apply as per the Regional Express Aircraft Engineers Agreement 2021 – 2025.

To apply:

To register your interest, please send your application with resume and cover letter addressing the above criteria and preference of employment location to jobsrexgroup@rex.com.au by close of business Friday, 6th November 2023.
