

Please Note:

All documentation supplied must be **legible**, and be **certified copies** of the original. Where documentation is not in English, full accredited translations to English must also be provided. If you hold a Foreign Licence – include a licence verification letter from the issuing NAA or Statutory Declaration declaring that the licence has not been suspended or revoked. Please do not upload experience journals/logbooks for Initial RPL assessments. If the upload limit is reached, any additional evidence may be sent to trainingadmin@aviationaustralia.aero within 24 hours of application being submitted.
